## Why Should You Choose a MaxCare Network Dental Plan?

In addition to paying lower monthly premiums, the MaxCare network can help reduce your out-of-pocket costs. Network dentists have agreed to accept a set contracted amount for each service rendered as the basis for payment under the Spirit Dental Plan. This amount is typically significantly less than the amount which could be charged by an out-of-network dentist. These network dentists are prohibited (by contract with the network) from charging you the difference between their typical fee and the amount negotiated with the network.

Dentists not participating in the network are not subject to the negotiated amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members. The sample comparison chart below will give you an idea of how you can save money by selecting one of Spirit Dental's network plans and visiting an in-network dentist for services. It compares the charges between visiting in-network and out-of-network dentists.

### Network Savings Example

**Your Dentist says you need a Crown, a Major Service –**

- Network Fee: \$685.00
- Reasonable & Customary Fee: \$750.00
- Dentist's Usual Fee: \$985.00

MAXCARE NETWORK PLAN When you receive care from a participating network dentist		INDEMNITY PLAN When you receive care from a dentist of your choice	
Dentist's Usual Fee is:	\$985.00	Dentist's Usual Fee is:	\$985.00
The Network Reduced Fee is:	\$685.00	Reasonable & Customary Fee is:	\$750.00
<b>Your Plan Pays:</b>		<b>Your Plan Pays:</b>	
50% x \$685 Network Fee	- \$342.50	50% x \$750 R&C or Network Fee	- \$375.00
Your Out-of-Pocket Cost:	\$342.50	Your Out-of-Pocket Cost:	\$610.00

**In this example, you save \$267.50 (\$610.00 minus \$342.50) by using a participating network dentist.**

*Savings from enrolling in the MaxCare plan depend on various factors, including how often participants visit the dentist and the cost for services rendered.*

*Please note: These examples assume that your deductible has been met.*

## GENERAL INFORMATION

**ELIGIBILITY:** Individuals, 18 years of age or older, plus their eligible dependents (spouse and unmarried children from birth to age 26). This is subject to individual state regulations.

**DEDUCTIBLE AMOUNT:** The deductible is shown in the coverage schedule. The deductible is an amount of covered dental charges incurred by an insured person for which no benefits will be paid.

**PREDETERMINATION OF BENEFITS:** It is recommended that a treatment plan/course of treatment be submitted when the total cost of eligible expenses for any insured is expected to exceed the amount shown on the coverage schedule. This should be submitted to us before the work is started. If actual services submitted do not agree with the treatment plan, or if a treatment plan is not sent in, we will base our payment on treatment consistent with reasonable and customary charges. Predetermination of benefits is not a guarantee of what we will pay. The estimated benefit payment is based on your current eligibility and benefits in effect at the time of the completed service. Submission of other claims or changes in eligibility or this policy may alter final payment.

**TERMINATION OF COVERAGE:** Coverage terminates on the earliest of the following dates: the last day of the month in which You cease to be eligible for coverage; the last day of the month in which Your dependent is no longer a dependent, as defined; subject to the Grace Period, the last day of the month for which a premium has been paid by You or on your behalf; or the date the policy ends.

**EFFECTIVE DATE:** When you enroll on-line your coverage may start as soon as tomorrow. Do not cancel any other insurance or assume you are insured under this plan until you receive written confirmation from Direct Benefits. Please note your enrollment may take 2-3 business days to be processed and accessible through any network providers.

**ELIGIBLE EXPENSES:** Expenses must be incurred while the policy is in force and the person is covered by the policy. To become an eligible expense, the dental services must be performed by: a licensed physician performing dental services within the scope of his license; or a licensed dental hygienist acting under the supervision and direction of a dentist.

**EXPENSES INCURRED:** An eligible expense is considered incurred on the following dates: for full and partial dentures - on the date the final impression is taken; for fixed bridges, crowns, inlays and onlays - on the date the teeth are first prepared; for root canal therapy - on the date the pulp chamber is opened; for periodontal surgery - on the date surgery is performed; for all other services - on the date the service is performed.

**ALTERNATE BENEFIT:** If we determine that a less expensive procedure, service, treatment plan/course of treatment that is customarily used to treat the dental problem and recognized by the dental profession to be appropriate according to broadly accepted standards of dental practice, then the maximum we will allow will be the charge for the less expensive treatment.

**MISSING TOOTH:** If an insured has lost one or more teeth prior to this policy effective date, we will not pay for a prosthetic device that replaces such teeth unless the device also replaces one or more natural teeth lost or extracted while covered under this policy. We will pay for fixed bridges or dentures to replace such missing teeth if teeth were extracted within 6 months of this policy effective date if this policy immediately replaces a prior plan. Replacement of congenitally missing teeth is not covered under your plan unless you are replacing a current fixed bridge or denture. This replacement is subject to contract replacement limits.
